I **SOLID WASTE FACILITY PERMIT**

1. Facility/Permit Number  
**33-AA-0011/97-03**

3. Findings - -

- a. This permit is **consistent** with the Countywide Integrated Solid Waste Management Plan (**CIWMB**). Public Resources Code, Section 50001. Date: June 1997
- b. This permit is consistent with standards adopted by the California Integrated Waste Management Board (CIWMB). Public Resources Code, Section 44010.
- c. The design and operation of the **facility** is in compliance with the State Minimum Standards for Solid Waste Handling and Disposal as determined by the LEA on October **29, 1997**.
- d. The Riverside County Fire Department has **determined** that the facility is in conformance with applicable fire standards as required in Public Resources Code, Section 44151.
- e. A Notice of Completion is filed with the State Clearinghouse ( SCH # **95102064**), July **1997**, pursuant to Public Resources Code, Section 21081.6.
- f. A Countywide Integrated Waste Management Plan has not been approved by the California Integrated Waste Management Board.
- g. The Riverside County Planning Department made a written determination that the facility is consistent with, and designated in, the applicable general plan per Public Resources Code, Section 50000.5 (a) July 1991
- h. The Riverside County Planning Department has made a written finding that surrounding land use is compatible with the facility operation, as required in Public Resources Code, Section 50000.5 (b). July 1991

14. Prohibitions - -

The **permittee** is prohibited from accepting any liquid waste sludge, non-hazardous waste requiring special handling, designated waste, or hazardous waste.

The permittee is additionally prohibited from the following items:

- nighttime operations without approved lighting
- Burning of wastes
- Scavenging
- Acceptance of any material after proposed **grade** has been met
- Disposal of waste beyond handling capacity

15. The following documents also describe and/or restrict the operation of this facility (insert document date in spaces):

	Date		Date
<input type="checkbox"/> Report of Facility Information	Sept. 1995	<input type="checkbox"/> Contract Agreements - operator and contract

# SOLID WASTE FACILITY PERMIT

1. Facility/Permit Number

33-AA-0011/97-03

## 17. LEA Conditions --

- a. The operator shall make copies of all inspection reports and permits issued by this and other regulatory agencies available for review by site personnel and authorized representatives of all responsible agencies during **normal** office hours. In addition, a copy of this permit, the Report of Facility Information and special occurrence log shall be maintained **onsite**.
- b. The facility is permitted to receive the following non-hazardous solid wastes: Residential waste, mixed municipal waste, agricultural, construction/ demolition, non-hazardous industrial, triple- rinsed and punctured empty pesticide containers, dead animals, grits and screenings.
- c. Any additional information the LEA deems necessary to **permit** and inspect this facility shall be provided by the operator.
- d. This **permit** supersedes previous permit No. **33-AA-001** 1 issued on December 1992. This permit reflects a change in tonnage from 1200 TPD to **2,65** 1 TPD and a vertical expansion of 40 feet.
- e. To comply with Title 27, Section 20590 (Personnel Health and Safety), the operator shall ensure that all personnel assigned to waste handling/processing duties have and utilize (when and where appropriate) the following equipment: dust masks, hearing protection devices, safety glasses/goggles, safety vests, heavy work gloves, heavy work boots (steel shanks and toes recommended), and hard hats. Where applicable, this equipment shall meet all State and Federal safety standards. A copy of the site's Health and Safety Plan shall be maintained on-site.
- f. The site shall maintain the formal hazardous waste monitoring program that is approved by this agency. At a minimum, the program shall include the following:
  - inspection of all incoming loads for fugitive hazardous wastes at the fee booth/scales.
  - training of all staff responsible for waste handling/management in hazardous waste recognition and site procedures in managing detected hazardous wastes
  - Signs listing materials prohibited from the facility
- g. At a minimum, the following items shall be recorded in the site's special occurrences log:
  - weather conditions that adversely impact site operations
  - fires
  - explosions
  - accidents and/or injuries
  - any incidents involving hazardous waste
  - visits by regulatory agencies (name, agency, mailing address and phone number)
  - Equipment down time that adversely impacts operations
